The Innovation & Entrepreneurship Institute (IEI) invites, you, as an attendee, to participate in judging the feasibility finalist presentations on Thursday, January 27, from 5:30 - 8:00 pm in the Speakman Hall Student Lounge.

The IEI continues to challenge students, faculty, staff, and alumni from across Temple University's 17 schools/colleges to create, innovate, and develop new business ventures. Participants compete for cash prizes to aid in the launch of their new business. At the Feasibility stage, the IEI will award \$3500 to the winners.

All attendees will judge the finalists' presentation, and determine the winners of the \$3500 in cash prizes. We look forward to your participation and involvement as we continue to cultivate entrepreneurship across Temple University.

Sincerely,

**Chris Pavlides, Executive Director**  
Innovation & Entrepreneurship Institute
