

## FIRST FLOOR

- 1A Temple University Welcome Center**
  - The University Welcome Center is the first stop on campus for prospective students and their parents. The facility includes a reception area and a 100-seat auditorium.
- 1B Breakout Rooms**
  - Breakout rooms provide students with the privacy and resources needed to work collaboratively. Equipment includes a flat panel wall display and a desk with a computer set up for group interaction.
- 1C Starbucks Café**
  - Drink coffee, sip tea, or enjoy some light refreshments.
- 1D Computer Services Help Desk**
  - The Computer Services Help Desk provides 24-hour technology support for the Temple community from Monday through Friday, plus weekend hours. Support is provided on a walk-in or call-in basis, as well as via e-mail and online chat.
- 1E Faculty Wing**
  - The Faculty Wing includes:
    1. The Teaching and Learning Center supporting Temple faculty and teaching assistants by helping to enhance their teaching skills.
    2. The Faculty Presentation Room, with seating capacity for 35 people, featuring a ceiling-mounted projector, a projection screen, a podium, and a computer.
    3. The Instructional Support Center (ISC) providing consulting and production services training, and access to state-of-the-art equipment for Temple faculty interested in using technology in the classroom.
    4. The Faculty Breakout Room
    5. The Faculty Lounge
- 1F WHIP Internet Radio Station**
  - WHIP houses an Internet radio station run by Temple students.

# The TECH Center @ Temple University

## SECOND FLOOR

- 2A Information Desk/Library Resources**
  - Positioned at the top of the Center's stairway, the Information Desk is staffed by a librarian ready to assist students with scholarly research. General information about the TECH Center is also available at the desk.
- 2B General Lab Areas**
  - General lab areas, subdivided by different colors, offer PC and Macintosh workstations, with local print stations, popular software programs, and free music feeds and cable television streams to the desktop. Some workstation areas are clustered to allow group work, while others are set up for individual work. Wireless loaner laptops are also available for use in the various lounge areas.
- 2C Specialty Labs**
  - Specialty labs provide space and/or specialized equipment and software dedicated to the following areas:
    1. Video Editing Lab
    2. Music Lab
    3. Software Development Lab
    4. Graphics/CAD Lab
    5. Language Lab
    6. Quiet Room
- 2D Breakout Rooms**
  - Breakout rooms provide students with the privacy and resources needed to work collaboratively. Equipment includes a flat panel wall display and a desk with a computer set up for group interaction. Three breakout rooms are equipped with multimedia, surround sound, a large screen, and a DVD/VCR console.
- 2E The Internet Lounge**
  - The Internet Lounge features distinctive Web browsing stations and customized furniture so students can quickly check their e-mail or access the Internet.
- 2F Service Desk**
  - Consultants are available at the Service Desk to answer computer questions, reserve breakout rooms, loan out wireless laptops, and generally monitor activities on the second floor.
- 2G Print Operations**
  - In addition to local printers throughout the lab, the print operations room offers high-speed laser printers, a color laser printer, and plotters.
